University of British Columbia
Bachelor of Commerce
Combined Major in Business and Computer Science (BUCS)
Vancouver, BC · Expected May 2031

Experience & leadership

ROBOEDU

Coding Instructor

July 2024 – Present · Richmond, BC

Teach programming and robotics to more than 50 students aged 5–16, using Java, Python, Unity, EV3, and Scratch.

Progressed from volunteer to paid instructor, adapting lessons for different abilities and experience levels.

YOUNG ARCHITECTS FOR CHANGE

Project Coordinator

April 2025 – Present · Vancouver, BC

Helped coordinate Design for Change 2025 at the Museum of Vancouver, alongside mentorship events and architecture workshops.

Supported fundraising through donut sales and created social media posts to promote events and initiatives.

SIR WINSTON CHURCHILL SECONDARY SCHOOL

IB Director

February 2025 – June 2026 · Vancouver, BC

Helped coordinate a three-day, two-night orientation camp for more than 100 incoming IB students.

Invited professionals including a former BC Hydro CEO, practicing physicians, and Silicon Valley project managers to school events.

Organized information sessions and a student conference.
